- Construction: Construction Management Process; Construction Estimating & Procurement; Development and Construction Project Management.
- International: Introduction to International Real Estate Investment; Negotiations; Selected Regions in International Real Estate: China; Selected Regions in International Real Estate: Europe; Selected Regions in International Real Estate: Latin America; Selected Regions in International Real Estate: India.
- Energy and Environmental: Green Buildings; Green Development & Construction; Green Asset & Building Management; Energy Issues in Real Estate.

COUNSEL, MORTGAGE SECURITIES, REAL ESTATE FINANCE, AND MERGERS

New York City, NY and Washington, DC

2004-2008

- Counseled in Global Finance Group at Cadwalader, Wickersham & Taft on bulk real estate transfer matters, i.e., commercial mortgage backed securities (CMBS), buyouts by real estate private equity groups, and real estate capital markets, for Bank of America, Barclays, Bear Stearns, Citigroup, Credit Suisse, Deutsche Bank, Goldman Sachs, J.P. Morgan Chase, Lehman Brothers, Merrill Lynch, Morgan Stanley, Nomura, TIAA-CREF, UBS, and Wachovia.
- Counseled at Crowell & Moring on SBC-AT&T and AT&T-BellSouth mergers.
- Counseled Trammell Crow Company on real estate financial restructuring and outsourcing.

**THE AMERICAN NATIONAL RED CROSS, NATIONAL HEADQUARTERS Washington, DC
REAL ESTATE SENIOR COUNSEL AND ASSISTANT CORPORATE SECRETARY 2001-2004**

- Recruited to perform and direct all Red Cross real estate legal work and coordinate asset management nationwide for \$2 billion real estate portfolio, held by headquarters and blood services units; played key role in financially restructuring and monetizing entire portfolio.

**COLE RAYWID & BRAVERMAN (merged into Davis Wright Tremaine, 2006) Washington, DC
COUNSEL, INFRASTRUCTURE AND TELECOMMUNICATIONS LAW 2000-2001**

- Recruited to obtain municipal cable excavation permits and build fiber optic network in Texas.

**EXXON MOBIL CORPORATION, MOBIL WORLD HEADQUARTERS Fairfax, VA
COUNSEL, REAL ESTATE AND ENVIRONMENTAL LAW 1993-1994; 1998-2000**

- Recruited second time in 1998 to perform all corporate real estate legal due diligence of multibillion dollar real estate portfolio for Exxon-Mobil merger, then largest merger ever.
- Initially recruited in 1993 as one of 3 Superfund lawyers to manage 300 hazardous waste sites nationwide; personally managed 100 sites with billions of dollars in potential liability.

**ATTORNEY, LAW FIRM/PRIVATE PRACTICE: REAL ESTATE, MERGERS, TECHNOLOGY,
TELECOMMUNICATIONS, ENVIRONMENTAL LAW**

Washington, DC and Boston, MA

1988-1993 and 1994-1999

- **Counsel, Real Estate, Mergers, Telecommunications**: Counseled Chancellor Media Corporation of Los Angeles, largest owner of radio stations at the time, on mergers; Teleglobe International Corporation, on telecoms law; Marriott International Corporation, on Ritz Carlton hotel/condominium projects at Disney World and Sarasota, Florida, and in Washington, DC.
- **Associate, McKenna, Long & Aldridge (merged into Dentons, 2015)**: Environmental regulatory and litigation legal work for premier chemical regulation and hazardous waste practice.
- **Associate, Content, Tatusko & Patterson**: Commercial real estate legal work, including retail and office leasing, purchases and sales, condominiums, and environmental real estate matters.
- **Associate, Casner & Edwards**: Nationwide defense of W.R. Grace in asbestos personal injury and property damage actions involving billions of dollars in liability.
- **Associate, Rackemann, Sawyer & Brewster**: Commercial real estate legal work, including retail and office leasing, development of major shopping malls, purchases and sales, and condominiums.

EDUCATION

CORNELL LAW SCHOOL

Ithaca, NY

JD, 1988, with major in Business and Regulation Law and specialization in International Legal Studies. Coursework focused on corporate law, real estate law, environmental law, litigation, tax, and international law. Moot Court, Asian-American Law Association.

HARVARD UNIVERSITY

Cambridge, MA

AM, 1985, International Relations, with focus on American-Russian and American-East Asian relations. Passed foreign language examinations in Russian, German, and Spanish. Tutor, Lowell House; Co-founder, Harvard Speech and Parliamentary Debating Society. Designed curriculum and taught honors courses to Harvard undergraduates in American Foreign Policy, Twentieth Century American History and Politics, Russian and Soviet History and Politics, American-East Asian Relations, and Social Theory.

THE UNIVERSITY OF CHICAGO

Chicago, IL

AB, 1981, with honors, focused on Economics and International Relations, with emphasis on microeconomics, economic geography, American-Russian and American-East Asian relations. Substantial additional coursework in urban planning, and Russian, German, and Chinese languages. President, The Chicago Debating Society, debated all over the English-speaking world; Morton-Murphy Award for Excellence in Academics and Student Activities.

SPECIFIC LEGAL, REAL ESTATE, AND FINANCIAL SKILLS AND ACCOMPLISHMENTS

SECURITIZATION AND PRIVATE EQUITY

- At Cadwalader, analyzed and prepared extensive detailed summaries of financial aspects of dozens of leases, reciprocal easement agreements, and other real estate documentation, and collaborated closely with Capital Markets Group, for numerous commercial mortgage backed securities (CMBS) issuances by Bank of America, Barclays, Bear Stearns, Citigroup, Credit Suisse, Deutsche Bank, EuroHypo, Goldman Sachs, J.P. Morgan Chase, Lehman Brothers, Merrill Lynch, Morgan Stanley, Nomura, Societe General, TIAA-CREF, UBS, and Wachovia; prepared extensive detailed summaries of CMBS transactions for Standard & Poor's and Fitch rating agencies.
- At Cadwalader, analyzed real estate documentation for NRDC Equity Partners buyout of Lord & Taylor, for spinoffs of properties from Blackstone acquisition of Equity Office, for Beacon Capital's purchase of 1211 Avenue of the Americas, for whole-business securitization of Dunkin' Donuts, and for sale of Trizec properties.
- At The American National Red Cross, reviewed fund offering materials and negotiated and analyzed real estate private equity transactions with Beacon Capital Partners and other private equity organizations for investment of approximately 10% of \$400 million Red Cross endowment invested in real estate assets.
- At The American National Red Cross, collaborated with blood services and outside counsel to securitize blood cash flow receivables from hospitals, and collaborated with treasury and finance departments to obtain securities market rating from Moody's.

LENDING AND DEBT

- At Cadwalader, analyzed and prepared extensive detailed summaries of dozens of notes, mortgages, and other loan documents, as well as leases, reciprocal easement agreements, and other real estate documentation, for numerous CMBS issuances, structured finance, and numerous mezzanine and other loans secured by real estate, and participated in loan sale transactions and warehouse loan transactions.
- At Rackemann, Sawyer & Brewster, Content, Tatusko & Patterson, The American National Red Cross, and elsewhere, negotiated hundreds of loans secured by real estate, as well as unsecured loans and construction loans.
- At The American National Red Cross, evaluated alternative funding sources, and negotiated and analyzed tax-exempt bond transactions for financing \$135,000,000 National Headquarters

- building with the District of Columbia government and 25 large-scale biomedical and chapter facilities in Chicago, Baltimore, and elsewhere.
- At The American National Red Cross, negotiated \$150 million standby bond repurchase facility line of credit with KeyBank; conversion of \$40 million Wachovia loan program to a revolving line of credit; \$100 million JPMorgan Chase line of credit; and \$100 million Bank of America line of credit.
 - At The American National Red Cross, collaborated with treasury and finance departments to create corporate credit policy and develop intra-corporate lending program by which chapters lend money to national headquarters.

MERGERS

- At Exxon Mobil Corporation, performed all corporate real estate legal due diligence (i.e., the legal due diligence for all real estate except service stations) upon Mobil's multibillion dollar real estate portfolio for Exxon-Mobil merger, then largest merger ever; reviewed and analyzed all of Mobil's thousands of real estate documents nationwide, as well as some international real estate documents; properties were a virtual laboratory of real estate, including terminals, pipelines, refineries, oil shale lands leased from the federal government, easements, production sharing agreements, office buildings, retail shopping malls, and golf resorts. Collaborated with real estate client group and investment bankers on logistics, marketing, and financial modeling, and in evaluating projects and transactions.
- At Crowell & Moring, performed due diligence upon target documents for SBC-AT&T and AT&T-BellSouth mergers, particularly as to Corporate Development department.
- At Latham & Watkins, following 1996 Telecommunications Act, assisted in negotiating series of radio station mergers culminating in creation of Chancellor Media Corporation of Los Angeles, largest owner of radio stations in the country, later merged into Clear Channel.

REAL ESTATE FINANCIAL AND OPERATIONAL INFRASTRUCTURE

- At The American National Red Cross, collaborated with treasury, finance, and real estate departments to financially restructure and substantially monetize entire \$2 billion Red Cross real estate portfolio, held by headquarters, chapters, and blood services, including program of sales of surplus properties and sale-leasebacks and intra-corporate debt program; prepared request for proposals and interviewed outside real estate management consultants.
- At Exxon Mobil Corporation and The American National Red Cross, collaborated with treasury and outside investment bankers on corporate-wide real estate restructuring issues, including detailed analysis of general ledger real estate accounting entries.
- At The American National Red Cross, Exxon Mobil Corporation, Marriott International, Inc., Teleglobe International Corporation, and Giant Food, collaborated closely with real estate business client groups and gained exceptional level of familiarity with corporate real estate function and operations in industrial companies, service companies, and nonprofits.

REAL ESTATE DEVELOPMENT, ACQUISITIONS, AND DISPOSITIONS

- Through the Urban Land Institute's Panel Advisory Services program, served on 7-person pro bono real estate advising team counseling the City of Norfolk, Virginia as to the sea level rise resilience issues in the waterside Fort Norfolk area, recommending the replanning of Fort Norfolk to pull development back from water's edge; encouraging community access to waterfront by means of temporary and low-intensity uses which avoid the cost and risk of permanent development, including green infrastructure; creating hospital-related workforce housing in the upland area near the light rail station; diversifying housing and jobs in the area to enhance resilience, and creating resilient new economic clusters; and contributed to final report setting forth strategic plan for managing Norfolk's sea level risk resilience issues, *ULI Advisory Services Final Report--Norfolk, Virginia: Resilience in Fort Norfolk: Assessing Risk and Protecting Value* (May 2015).
- Through the Counselors of Real Estate, led 4-person Consulting Corps pro bono real estate advising team counseling Goodwin College, a rapidly growing college in East Hartford, Connecticut catering to nontraditional students, as to how to manage its rapid growth within the

- context of the needs of the Town of East Hartford, including focusing on Goodwin College's role as a real estate developer; devising a land use strategy that yields a balanced blend of taxable commercial and non-profit uses; preparing a strategic agenda outlining the appropriate action steps to successfully implement the land use strategy; laying the foundation for a defined "College District" zoning classification for adoption by the Town; beginning an annual report from Goodwin College to the Town as to direct and indirect financial support provided; and suggesting the creation of an Economic Development Corporation; and drafted final report setting forth strategic plan for improving the relationship between Goodwin College and the Town of East Hartford, *Strategic Analysis: Planning for and Managing Anticipated Growth* (December 2014).
- Through the Counselors of Real Estate, served on 6-person Consulting Corps pro bono real estate advising team to determine the future adaptive reuse of Fort Ritchie, a 600-acre fort 20 miles northwest of Frederick, Maryland, including complex board governance, economic development, title, deed, land development, infrastructure, environmental, zoning, and historic preservation issues; developed near-term reuse options including open space, recreation and leisure, destination restaurant, winery, spring water wells, light industrial kitchen facility for food entrepreneurship, data center, and senior living facilities; developed long-term reuse options including hospitality, golf, single family residential, multifamily residential, institutional, retail, and office uses; developed criteria to assist the Fort Ritchie board in selecting best short term and long-term options; appeared in public presentation of preliminary adaptive reuse plan to community; and drafted final report setting forth strategic plan for the fort, *Real Estate Strategic Analysis: Fort Ritchie, Maryland* (October 2013).
 - At The American National Red Cross, addressed overriding Red Cross legal issue of compliance with FDA consent decree for blood system operation by performing all legal work to launch 10-year, \$1 billion program to construct 22 new blood processing facilities nationwide. Reviewed, analyzed and revised detailed blood processing facility standards developed by Ewing Cole biomedical architects. Collaborated with blood services real estate department on logistics optimization, marketing, financial, and cash flow modeling in Argus and Excel, and evaluated economic viability of alternative potential projects; worked with brokers, selected sites, and negotiated site purchase agreements, and prepared requests for proposals for construction contracts, selected contractors, concluded construction contracts, and negotiated change orders in the course of construction. Completed construction of first 3 of 22 facilities: \$40 million facility in Pomona, CA; \$19 million facility in Johnstown, PA; and \$28 million facility in Atlanta, GA. Prepared presentations of projects for Red Cross senior management, president, and Board of Governors.
 - At The American National Red Cross, performed all legal work to create new \$135 million, 750,000 square foot American National Red Cross Headquarters Building, the 11th largest Class A building in Greater Washington. Negotiated \$32 million interior buildout construction contract, and numerous change orders, with Clark Construction Group.
 - At The American National Red Cross, collaborated with real estate business groups to develop dozens of blood services and chapter projects nationwide, and collaborated with contracting department to review hundreds of design, construction, renovation, and other contracts for all Red Cross real estate projects nationwide.
 - At Marriott International Corporation, collaborated with other lawyers to develop Ritz Carlton hotel/condominium projects at Disney World and Sarasota in Florida, and in the West End of Washington, DC.
 - At the American National Red Cross, major transactions included \$72.5 million sale-leaseback of New York chapter house; \$20 million sale of Boston chapter house; \$16 million sale of Philadelphia chapter house; \$14 million land acquisition and construction of Chicago chapter house; \$9 million sale-leaseback of Los Angeles chapter house and blood services facility; \$7.5 million purchase of Washington, DC, chapter house; and sec. 1031 exchange transactions.
